Civil Action No. 7:03-CV-102-D

ORDER

The parties' May 28, 2009 joint motion to extend stay of proceedings is granted. The court stays all motions and briefing, including the supplemental briefing on decertification and plaintiffs' response to defendants' motion to certify interlocutory appeal, until June 30, 2009.

The court will not rule on defendants' motion to certify interlocutory appeal until after the stay expires.

Plaintiffs' expert reports and their response to defendants' motion to limit designation of class membership are stayed until 30 days after the court rules on certification.

The stay of proceedings does not prohibit plaintiffs from filing a motion for leave to amend.

The court will conduct a status conference on this matter at a date and time to be specified by separate order.

SO ORDERED.

June 1, 2009.

CHIEF JUDGE
